PREAMBLE

We, the founding members of **Life Foundation**, united by a shared commitment to human dignity, equality, and sustainable development, hereby establish this organization to serve as a catalyst for positive change in society. Recognizing the urgent need for social justice, empowerment of women and children, protection of the environment, and inclusive rural and urban development, we pledge to work collectively and selflessly for the upliftment of the marginalized, underprivileged, and disadvantaged sections of our community.

Established in the year 2010 by Shri Bijoy Mondal along with a group of like-minded individuals, Life Foundation is committed to building a more just, inclusive, and compassionate society.

Life Foundation is registered under the Societies Registration Act, 1860, bearing Registration No. RS/NG/254/J/94 dated 25/11/2010.

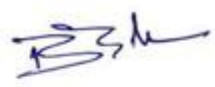

Guided by the principles of compassion, transparency, and service to humanity, we dedicate this Foundation to the creation of a more equitable and empowered society.

7. MISSION AND VISION

Mission

To promote inclusive development by empowering women, children, and marginalized communities through education, health services, livelihood opportunities, environmental stewardship, and human rights advocacy, ensuring sustainable growth and social justice for all.

Vision

To build a just, inclusive, and compassionate society where every individual—regardless of gender, class, or background—has the opportunity to live a life of dignity, health, security, and fulfillment.

8. CORE VALUES OF LIFE FOUNDATION

a. Compassion

We believe in serving others with empathy, kindness, and a deep sense of humanity, especially those who are most vulnerable.

b. Integrity

We uphold the highest standards of honesty, transparency, and accountability in all our actions and decisions.

c. Equity and Inclusion

We are committed to creating an inclusive society where everyone—regardless of caste, gender, ability, or economic status—has equal opportunity to thrive.

d. Empowerment

We strive to enable individuals and communities, especially women and children, to realize their full potential and become agents of change.

e. Sustainability

We promote development that is environmentally responsible, socially inclusive, and economically viable for present and future generations.

f. Collaboration

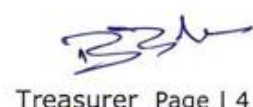

We believe in the power of partnerships—with government, civil society, and the community—to achieve lasting impact.
